Notes:

1. This report identifies only those claims accepted by WorkplaceNL in which benefits have been paid. The statistics contained in this report are based on definitions the Association of Workers Compensation Boards of Canada, (AWCBC) uses under the National Work Injury Statistics Program (NWISP). Please note that the statistics used by other Workers' Compensation Boards and Commissions may be similar but not identical.

2. Lost Time claims: The number of new claims reported, accepted and paid. These claims involve lost-time from work where a worker is compensated for a loss of wages following a work-related injury (or exposure to a noxious substance).

3. Health Care Only claims: The number of new claims reported, accepted and paid. Health care only claims do not
